All over the world poker players consider this to be the best and biggest event and also the one which everyone wants to win and also it shows securing the money and the bracelet and proving you are the best in the world. For the past two years the WSOP champion has come from online poker game qualifiers who won their tickets in satellite poker event. But the World Series includes many more tournaments rather than just the main event.

This year up to 30 WSOP bracelets are contested from June 2nd to July 15th. In the year 1949 well-known gambler Nicholas "Nick the Greek" Dandolo move towards Benny Binion with a curious request to challenge the best in a high-stakes poker epic. So Binion arranged a match between Dandolo and Johnny Moss and this game was played in before full public view. This gave Benny Binion the motivation to later start the World Series of Poker since he noticed big crowds assembling outside the casino every day to observe the game.

The first World Series of Poker was held in the year 1970 and the winner, Johnny Moss, was resolute by vote. After that the winner was determined by present format in which everyone plays until 1 player has all the chips.
